FAQ's

How do 0845 numbers work?

An 0845 number is "pointed" at your landline. You can ask us to change where the UK 0845 number is pointed to which we will do at no charge. There are no call charges - just one time set up fee of £29.99 + VAT and an annual fee of £19.99 + VAT. It's free for the owner of the 0845 number to receive calls.

I am in and out all the time. Can I divert my UK 0845 number?

Your 0845 number will automatically follow any diversets set up on your landline. For example if you routinely divert incoming calls to your mobile when you leave your office then inbound calls to your landline made on your 0845 number will follow the divert to your mobile.

Can anyone call my 0845 phone number from anywhere in the UK?

Yes.

Are you a reliable company?

We have been established for over 20 years and have been awarded the Investors in People standard. We are also members of the Lincolnshire Chamber of Commerce.

How soon will the number be connected?

We can assign you a UK 0845 phone number immediately over the phone or you can [view our selection](#) of UK 0845 numbers and [buy online](#). Either way your number is usually connected within 24 hours.

Can you get me a memorable UK 0845 phone number?
